

Who we are

We are an independent registered charity providing legal advice from 3 main offices in Biddulph, Hanley and Newcastle-under-Lyme plus a number of outreaches. We are staffed by 90 paid workers and 90 volunteers.

In 2016-17 our volunteers gave £454,404 worth of their time to help to advise 18,173 people on 54,243 issues. They helped us to manage £16.2 million of debt and to identify and support clients to claim £4.8 million of Welfare Benefits and other financial gains.

By volunteering with Us you really can Make a big Difference to your local Community.

Why volunteer?

Volunteering for Citizens Advice provides a tremendous benefit to the local community.

Our volunteers benefit from free training, ongoing support and travel expenses. Training results in an accredited qualification which, along with the experience of volunteering itself, helps people develop life skills.

For young people, volunteering provides new experiences, a confidence boost and a path into work or education.

Our older volunteers say it keeps them active, in touch with the community, and means they can 'put something back'.

All volunteers say that they find it a uniquely rewarding experience.

What do I need?

★ Be able to commit 1 - 2 days a week for at least 12 months

★ Good IT Literacy

★ Good written and verbal communication skills

★ Be non-judgemental, open to new ideas and committed to working hard for equality.

You do **not** need previous experience.
